

Fun little Attendance Check!

Event Period: 18/4/2018 (after the maintenance period) - 8/5/2018 (11:59 PM)

1. Random Attendance Check

1) During the event, a **'Fun little Attendance Check!' interface icon** will be displayed at the top of the screen:

You can see the amount of time left before you receive your reward above the tooltip.

2) If you click on the attendance check interface icon, then the **'Fun Attendance Check!'** interface will open.

3) Anyone who has been **logged in for more than 20 minutes** meets the requirements for the attendance check, activating the **? button** for that day in the **'Fun Attendance Check!'** interface. Click on the **? button** to receive 1 of the 21 random items. The item you receive will be marked with a tick. Items that have already been received are also **marked in the list of remaining rewards (UI) and cannot be received again.**

Each account can receive each reward once. The reward will be sent via post to the character that was logged in for longer than 20 minutes.

4) As well as the daily reward, additional rewards are available for logging in for 3, 9 and 15 **consecutive** days during the event. (See: Reward info for logging in on consecutive days)

5) The character will receive all the rewards via post and they will be deleted at the end of the event during the maintenance period on 18/5/2018.
