

## Changes for Additional Comfort

1. Coupons for the 1st, 2nd and Transcendence Class Change can be purchased in the ED Shop.
2. The willpower of the character will be regenerated 100% with level-up.
3. Increased the base amount of item sale slots with Bulletin Board trading from 3 to 9.
4. Fusion Energy Disc and Energy Fragments can be traded.
5. Armour below level 90 will be dropped sealed.
6. The matching duration in lower levels has been adjusted:
  - Maximum duration for dungeon matching in Elder (excluding Nightwood) set to 10 sec.
  - Maximum duration for dungeon matching in all normal Besma dungeons set to 20 sec.
7. The window for the final step of private trading will be displayed for a set amount of time.

### Pet Pack Contents Changed

Pet Pack contents that are purchased after the patch will change as stated below.

### Force Switch Skills Improved

- Force Switch Skills will be dropped as Force Switch Skill Crafting Coupons.
- You can then craft the respective Force Switch Skill using these coupons when visiting Camilla. (Fee: 500,000 ED)

### Expanded Resonance Grade and Equipment Window

The Resonance Grade and equipment window have been expanded from 2 to 3 pages.

### Attachment Function for Poru Seals on Bulletin Board Trading

- When trading on the Bulletin Board, items can be listed unsealed with the Poru Seal attached instead. When it is sold the seal will be applied automatically.
- If no sale occurs, the Poru Seal will not be used and will return to your inventory.
