1. Transcendence Jump Event

1) A jumping character can be created during the event.

2) The jumping level is determined by the highest level character on an account (max. level 70).

Example: if the highest character level on an account is 55, a jumping character at level 55 will be created.

3) The jump event has a total of 4 levels. (1. Create character; 2. First class change; 3. Second class change; 4. Upgrade Scroll available)

1) Level 1: Create jumping character

- The jump quest will be displayed in every account when you log in.

- After the quest is completed, players will receive a jump item. Right-clicking on the item takes the players to the character creation screen.

- A jumping character can only be created once.

  (The jumping level is determined by the highest level character on an account (max. level 70).)

- The created jumping character will have a special time-limited item placed in their cube.(+9/character level/elite ranks will be deleted on 25/1 during the maintenance)
