- Purchasable with Guild Coins.
- Guild buffs apply as soon as the guild master uses them. Guild members must visit the headquarters during the activation period to receive the buff.
- Gild members who visit the headquarters will receive the remaining time of the buff. For example, any member visiting the guild headquarters 20 minutes after the guild buff has been activated will receive the buff for 40 minutes.
- The buff duration ends for all guild members at the same time.

### 5. Function Changes at Miyu's

### Miyu's location in the villages

Miyu is standing in front of the guild flag.

- You can talk to Miyu but the guild flag itself has no function.

#### Village NPC Miyu's functions

- Visiting Miyu in the village reveals the buttons 'Entry', 'Guild Advertisement' and 'Service'.

#### **Headquarters NPC Miyu's functions**

- The 'Entry' button is not visible with Miyu in the headquarters.
- For players who previously used the Small or Medium Guild Service, the use of the shop, crafting and exchange functions remains possible until the service expires.

#### 6. Changes to Guild Interface and Functionality

#### Change to guild information

- The guild master will see the button 'Manage Guild' in place of the 'Leave Guild' button.

#### Change to guild information

- Players who aren't guild masters will see the 'Leave Guild' button where the 'Manage Guild' button would be, plus a greyed out 'Disband Guild' button.

#### Added 'Delete Message' function

- Clicking on the 'Delete' button brings up a confirmation window.
- Deleting the message immediately removes it from the message window and reorganises the remaining messages.
- Messages can be deleted by the author or players with the requisite permissions.
- Up to 10 guild messages can be written.
- Players with no delete permissions will see an inactive 'Delete' button.
- Guild messages can only be deleted by the guild master, guild administrator or the message author.

#### Removed 'Community (Guild)' tab

- The 'Community (Guild)' tab will be removed.

#### **Changes to member information**

- Right-clicking the nickname of a player in the 'Community (Guild)' tab offers options such as group invite etc.
- Switching UI for member information will also be changed.

#### Change to guild advertisement

- Guild names can also be searched for in the guild advertisement.

#### **Guild Advertisement – Guild Information**

- Guild information includes guild level, master, members, date of foundation and, in the case of advertisement, guild focus.
- There are no changes in terms of guild skills.

#### Changes to entering guild advertisement

- When entering a guild advertisement, you can now add the guild's focus.
- Advertising costs have been changed to 2 Guild Coins per day.

#### **Guild advertisement filtering**

- Filtering functions allow guilds to be found more quickly.

#### **Guild advertisement filtering**

- Permissions for the individual guild membership levels can be set in the guild management.
- The screenshot shows the defaults after creating a guild.
- Click on 'Confirm' after changing the guild permissions to apply them with immediate effect.
