2. Mini-Game – throw blessed snowballs!

- The event icon is located in the top-centre of the screen. When you click on it, the UI will open for the Snowball Throw game.
- The UI can be opened in villages, in rest areas and in the hot springs.
- Whilst the mini-game UI is open, Z-key chatting, PvP, trading, etc. are not possible.

Snowball Throw Game

- The user transforms into a hedgehog and has to throw snowballs at the Elsword characters who appear and move around the map.
- The hedgehog can be moved to the left and right using the arrow keys and the Z key fires a snowball.
- Points will be assigned for every hit you land. If multiple characters are hit at once, you will earn bonus points.
- The bonus display increases with the amount of gathered points. When this bar fills, you get your reward.
- The snowballs you require can be earned through the login event and quests, etc.
- Points are counted per character.
- You can receive the following rewards:

Points	Reward	Quantity
