### 1. Dungeon Burning

- Open to: Dungeon players (once per account)
- Content:
  - > Icon is displayed at the top part of the screen.
  - > Anyone that logs in once each day during the event receives the 'Double EXP', 'Double Drop Rate' and 'Unlimited Willpower' buffs for 1 hour.
  - > Resets: daily at 9 AM
    - > Exceptions: If for example it opens automatically at 0:00 AM and the player clicks on 'Double EXP' at 11:59 PM and then tries to click it again at 0:00 AM, then a notification is displayed that reads 'That effect is already active'.
  - > If the player logs out while the buff is still active, then logs back in, the duration of the buff will continue where it left off, rather than resetting.
