

Improvements to Henir's Time-Space Equipment

Improvements

- Significantly reduced the cost of pieces of Henir equipment.
- Removed transformation to Time-Space level.
- The [Hero Effect] options for equipment from Hero Dungeons can be removed.
- Increased options for 5 piece sets

Removed Quests -> Daily and Weekly Quests.

- New daily quests
- Play through Henir's Time-Space 2x (Reward: 1x Refined Time-Space Crystal)

Henir Equipment

- Removed level 0 equipment that was sold by Glave.
- Reduced the amount of Time-Space Crystals required for transformations.

Socket Extraction Option:

- 2 to 3 options can be removed from the options for equipment from Hero Dungeons (Excluding [Hero Effects]).
- (Also applies to Knight equipment received in easy mode. Equipment with sockets for [Hero Effects] are possible.)

Extraction Costs

- Refined Time-Space Crystal: 1x
- Time-Space Crystal: 200x
- Fee: 5,000,000 ED (5 mil. ED)

Other

- Concerning pieces of equipment that can be extracted and socketed, extraction can only be performed on those pieces of equipment that are also socketed.

[Crafting] Craft Henir's Level 4 Time-Space Equipment

After the revisions, the equipment can only be crafted.

- Users that own the previous equipment can accomplish this via transformation.
- Level 0 equipment that was sold by Glave is no longer available.

[Transformation] Reduced number of transformations for Henir Equipment

The date of creation has been changed so that it is identical to the revised equipment.

- Users that own the previous equipment can accomplish this via transformation.
- Will be removed after 3 months (Transformation tab will be removed).

Item Socket extraction

- Added tab for [Socket Extraction] for Glave

Item Socket extraction

Using sockets popup window

- Clicking on the [Extraction Socket] button will display a popup window.
- If the player tries to perform an extraction on equipment that doesn't have any sockets, then it fails.

Item Socket extraction

- Under Hero Dungeon equipment [Hero Effects] 1 random option can be extracted, not including the heroic options, to be used on Henir: Weapon/Top/Leg Guards/Gloves/Shoes of Level 4 Time-Space.
- Unique hero equipment (individual pieces), Time-Space Crystal and Refined Time-Space Crystal will be used as materials for the extraction.

* Items that are used as extraction materials will disappear.

* It's possible for extraction to fail.
