- > Repeated purchasing possible on all levels.
- > You can select the desired level and then execute this level as often as desired.
- > **However in order to carry it out you will always have to have the required amount of Sleeping Heaters.**
- > (High level) The more Sleeping Heaters that are required, the larger the min and max reward.
- > If you click on the 'Heater Popcorn Party' button in the event window, a unique heater popcorn opening sequence will start, then leading to a random amount of Ice Sculpture Heaters (Fire Master Rossou) being paid into your inventory.
- > **There needs to be at least 3 empty spaces in the inventory to be able to carry out the event.**
- > The amount of Sleeping Heaters will be displayed in the lower section of the pop-up window. Additionally, a purchase button will appear on the right, which forwards to the item shop.
- > **Corresponding to the amount of Sleeping Heaters in possession, the 'Start' button will either be active or deactivated.**
- > To calculate the amount of Sleeping Heaters in possession, Sleeping Heaters and [CoBo] Sleeping Heaters will be counted.
- [CoBo] Sleeping Heaters will be consumed first. (Example: If you have 10x Sleeping Heater and 2x [CoBo] Sleeping Heater in your possession, and Silver Popcorn is selected, 2x [CoBo] Sleeping Heater will be used and 8x Sleeping Heater.)
- > When clicking on the START button, a sequence will start in the upper left of the event window, where Aranka is shown making popcorn. Afterwards the amount of Ice Sculpture Heaters (Fire Master Rossou) received will be displayed.
- > **Unused (remaining in inventory) Sleeping Heaters will all be exchanged into Ice Sculpture Heaters (Fire Master Rossou) at the end of the event. [CoBo] Sleeping Heater on the other hand will simply be deleted and not exchanged.**
