Use Elyanod Magic Stones

- In Elyanod Village, players search for the NPC inside the Eldrit Tower and click on the button 'Use Elyanod Magic Stones', which displays the items of equipment that an Elyanod Magic Stone can be used on.
- Once the player has chosen the one of the glowing pieces of equipment to use an Elyanod Magic Stone on, the process can begin.
- The process is largely identical to the one for item socketing (use of normal Magic Stones).
- The player clicks on an Elyanod Magic Stone in their inventory to then slot it into the respective Elyanod area.
- A fee of 100,000 ED is taken for each Magic Stone.
- If you click on the 'Equip' button, the Elyanod Magic Stone will be used on the Elyanod equipment.
- Additional Elyanod Magic Stones can be used on Elyanod equipment that already has an Elyanod Magic Stone in it as long as these are of a different shape.

Elyanod Magic Stone Dust

- Available by: dismantling Elyanod equipment and Elyanod Magic Stones.
- Special feature: when you dismantle an Elyanod Magic Stone, you will receive powder of the same colour.

If you dismantle Elyanod equipment, you will receive powder in all colours.

Use: you can craft Elyanod equipment with the blacksmith NPC in Elyanod Village (Equipment Refiner). (Fee: 1,000,000 ED)

You can exchange Elyanod Magic Stone Dust for Elyanod Magic Stones with the blacksmith NPC in Elyanod Village (Equipment Refiner). (Fee: 100,000 ED, with a fixed probability of Elite or Unique)
