

Attendance Check Event

Event duration: 19/10/2017 (9 AM) - 17/11/2017 (11:59 PM)

1. Fun Attendance Check

1. During the event, an attendance check interface icon will be displayed at the top of the screen. In order to check the remaining time until you receive the reward, look at the attendance check icon tooltip, rather than via the normal event interface.

2. If you click on the attendance check interface icon, then the 'Fun Attendance Check!' interface will open.

3. Anyone who has been logged in for more than 20 minutes meets the requirements for the attendance check and thus activates the button for that day in the 'Fun Attendance Check!' interface. If you click on the activated button, the character in question will receive a reward via post.

4. The reward can be received once per account, and the daily reward changes over to the next day's reward at 0:00 AM every day.

5. As well as the daily reward, additional rewards are available for 5, 10, 15, 20 login days each during the event.

6. All reward post will be deleted at the end of the event on the 22/11/2017.
